ANATEL RATIFIES INCREASE IN SERCONTEL'S RATES FOR LONDRINA (PR)

The National Telecommunications Agency – **Anatel** ratified last Friday, December 1, an 8.26% adjustment in Sercontel Celular's Reference Package. The package increased from R\$ 81.76 to R\$ 88.51. The company operates its A-band service in Area 5 in Londrina, Paraná state.

The productivity discount was 3.93%, calculated on the basis of the 12.19% accumulated IGP-DI (General Price Index) in the February to November 1999 period (reference date for the adjustment). The adjustment was authorized by means of Administrative Act No. 13352 published in today's edition of the Government Gazette.

The operator must publish the new rates in Londrina's largest newspapers two days prior to their taking effect. This is the 23rd company whose reference package Anatel has ratified.

A list of the other adjustments granted is provided below:
